

## SQUARED

The eco gift series

daybyday®

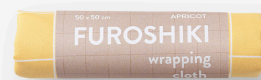

Created for both youngsters and adults, **daybyday** is a line of stationery items, notepads and books which will help you to plan and organise your life like a charm. Be it in the office or at home, our mission is to turn everyday problems into perfect solutions. Enthusiasm, curiosity and passion are the ingredients that daybyday use to make you smile, help you keep your eye on your goals and focus on what is most important to you. That's how daybyday was born: bright ideas to light your day.

Organization, planning and management of all your day-to-day information within everyone's reach, using the best tools. This series provides a colourful, versatile, stylish and ecological alternative. Introducing the **Squared** series from daybyday.

- 9 INDEX

1. Annual Planner 2022

SQUARED

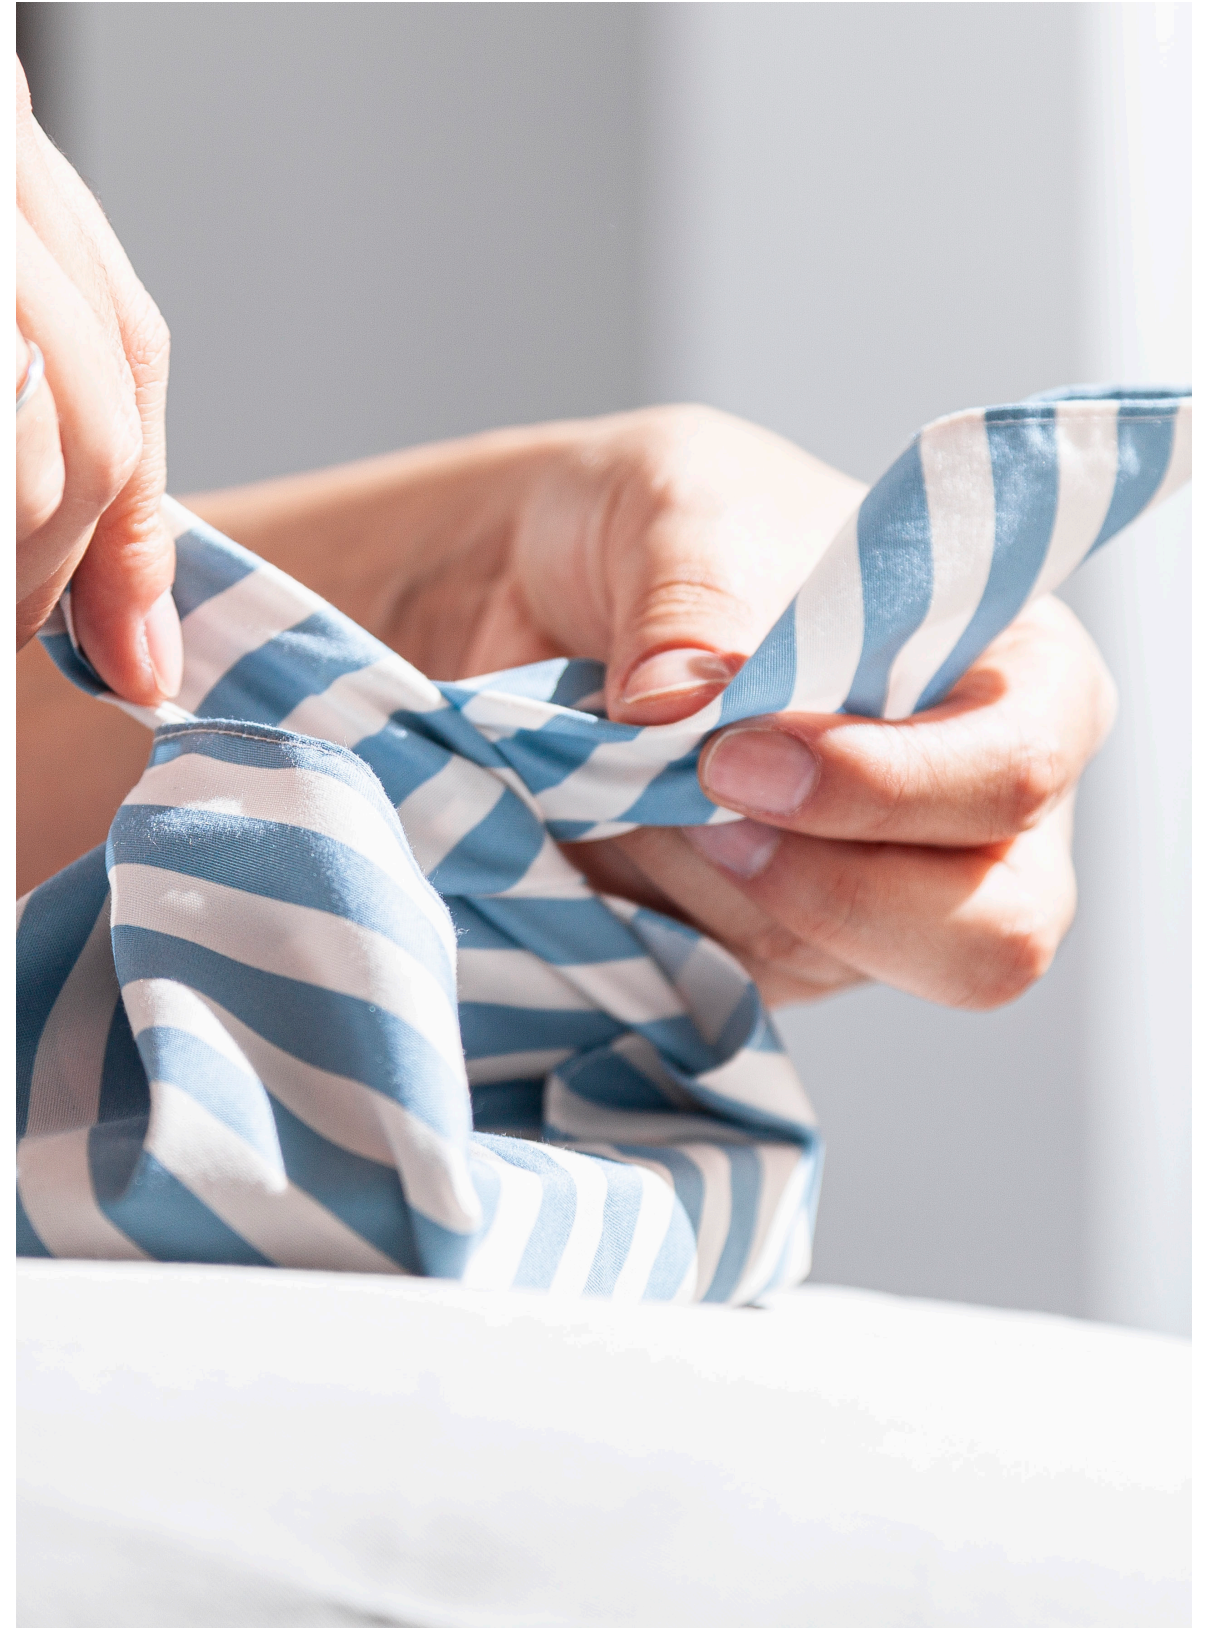

SQUARED

The name refers both to the craft and the object itself and has been well-known for centuries in Japan. This simple square piece of fabric is an eco-friendly solution used for gift wrapping and transporting items, but also in fashion or home decoration.
