WHAT MAKES
ME FEEL...

1.

2.

Some things make us happy. Some make us sad. Some things taste wonderfully. Some smell terribly. But how can we tell? What makes us feel like that? On each double page of these books, you will find an emotion or a sense depicted and two different images to illustrate it. Use the device in the book to choose the illustration that fits best the emotion or sense shown!

HIGHLIGHTS

Two board books, with built-in devices, ideal for exploring at an early age; each double-page gives the child a choice of two images and a device to choose the one that best suits the emotion or senses shown; a new way of exploring these subjects and initiating dialogue about them.

HIGH MINDED

1.

2.

We all have had the feeling of fighting our own minds, not knowing how to control them. When things go well, we think we were lucky. When they go badly, we think we're weak or maybe, not good enough. Is it true? Not at all and that's what we're here to talk about! Let's find out how we can be more positive, more attentive and effective, more confident.

HIGHLIGHTS

Growing relevance of the subject for both parents and teachers; practical exercises for training our minds in the classroom or at home; tips for public speaking; the importance of well-being and mind discipline to go through everyday life.
